

COMPLIMENTS OF THE BEST
SPECIAL SERVICES IN SEA.

LIBRARY

Our new air conditioned Base Library is one of the most complete libraries in Thailand. With 12,000 volumes and 60 monthly periodicals, the library is one which we can be proud. The latest "best sellers" are also available through a state side book service. If you want a special book or publication that is not in our library, we can order it. If it is in South East Asia, we can get it.

TAPE RECORDING ROOM

Special Services Operates a tape recording room for the recording of your favorite music. The library maintains a card file of over 700 tapes from which you may select. We are continually receiving new tapes to keep our library up to-date. Recording and listening booths in this facility as well as tape recorders and tape cartridge recorders are available upon request by asking the instructor.

HOBBY SALES STORE

Our Hobby Sales Store is stocked to provide the hobbieist with materials for his leisure time. Complete selections of tapes, model airplanes, motors, stereo ear phones, paint and all necessary accessories are available. For the lapidary worker, you will find slab gem material as well as settings. All the things you need for your hobby can be found in, or ordered from the Hobby Sales Store.

PHOTO HOBBY SHOP

This partially air conditioned facility offers the photo enthusiast every opportunity to indulge in the developing and printing of photographs. All the chemicals and developers you need are available at the Hobby Shop. If you need assistance with your work, a qualified instructor is on duty at all times. The only item not provided by the Photo Hobby Shop will be photographic paper. This paper may be purchased in the Hobby Sales Store.

GOLF DRIVING RANGE

The Golf Driving Range is located on the corner of Colorado and Pennsylvania Ave, at the Northeast part of the base. A beautiful way to get rid of your frustrations by banging out the golf balls. To bang out a small bucket of balls the cost is 20¢ or a large bucket may be obtained for 50¢. There are refreshments available for you while you wait

SPECIAL SERVICES TOURS

GREEN HILLS

Golf Trip. Bus departs Base Gymnasium every Sunday at 0700 hours. Accommodates a maximum of 29 golfers per trip. Restaurant is available. Golfing equipment is available at the Base Gym. Exotic views of waterfalls and beautiful surroundings make this an exciting trip for those who want to make the trip just to take pictures. For further information call 3634 or 2604.

CHIANGMAI FLIGHTS

Plane tours are scheduled through the R&R office, located in Special Services Division (Bldg #441). Three flights are normally set up each month, usually nine days after the previous flight. These flights are scheduled out of Udorn. Each flight offers 20 seats allocated on a first come first serve basis. Personnel taking these flights must be on leave or permissive TDY orders for a four day period. For further information call 3703.

R&R

The Out of Country R&R Program is conducted as a morale program for all Combat Crew Members assigned duties at Korat RTAFB, R&R taken by crew members will not be charged as leave. Out of Country R&R sites include Hawaii, Sydney, Tokyo, Hong Kong and Taipei. The In-Country R&R is for deserving support personnel and will not be charged as leave. FOR FURTHER INFORMATION AND RESERVATIONS ON THE TRIPS CONTACT SPECIAL SERVICES AT 3703 IN BLDG #441.

ELECTRONICS HOBBY SHOP

The Electronics Hobby Shop provides supplies and facilities for the repair or construction of personal electronic equipment. A fully qualified electronics supervisor is on duty from 1000 hours to 2200 hours daily.

THEATER

With a seating capacity of approximately 1000 the Base Theater is one of the more popular of the Special Services facilities. It operates on a 7 day per week schedule with 3 performances each day. Current news as well as current films are provided by the Army Air Force Motion Pictures Services. Show times are: 1830, 2030 and 0030 hours.
