

An Evening With Mother Mary

Channeled Through Christina Maria Kramer

Christina Maria is an embodiment and messenger for the Divine Mother. Mother Mary has been working with her since her childhood to prepare her for this great mission - to help awaken and anchor the Divine Feminine onto the planet. Throughout her life she has received many initiations and transmissions of the Divine Mother's energy into her own energy field.

As you sit with Christina Maria during group or individual channeling sessions, Mother Mary's love and energy will be transmitted to you. Her sweet words will also ignite your heart with hope and inspiration.

Individual channeling sessions are also available. During these sessions many have experienced profound physical and emotional healing. It is Christina Maria's passion to bring the healing energy and unconditional love of the Divine Mother to all of her children.

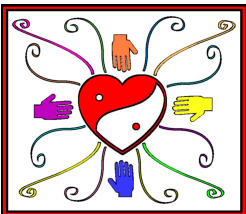

Christina Maria resides in Charlottesville Virginia where she maintains a private healing and channeling practice. She is a graduate of the Barbara Brennan School of Healing and holds a Masters Degree in Counseling Psychology.
