

**JOIN US AT THE**  
**PINE TREE RIFLE CLUB GOLF OUTING**

**Rather than shoot a ball in the hole, SHOOT A HOLE IN THE BALL**

- This is an informal outdoor .22 rimfire sporting-rifle match
- The goal is unlike golf where one puts the ball in the hole, the challenge, put the hole in the ball. As in golf, low score wins
- **RIFLES TO BE USED:** Essentially hunting configuration rifles (loosely defined). Traditional target rifles are not allowed. Telescopic sights are pretty much necessary. Front bags or bipods are permitted, no rear bag.
- **TARGETS:** The targets are made from golf balls, wire and old election lawn signs.
- **RANGE:** Shooting will be a 9 hole course of fire testing standing, bench rest, varied distances. With the 9<sup>th</sup> hole will be a large metal target.
- **EQUIPMENT:** .22 sporter rifle with a scope, (suggested 24 power or above) or a spotter scope, front bag or bi-pod, up to 60 rounds of ammo.
