## **God Is Calling YOU!**

It may not always seem like it, but the Lord has chosen each of us for a special vocation or mission. He has chosen us to be his followers and given us the gift of faith. There is a role in this world that only you can play; you are meant to make a difference in the lives of certain other people that will cross your path in the course of your life. We are called by the Lord to make a difference in the world of our daily, ordinary, normal existence.

Each of us is to be Christ's hands, arms, eyes, mouth and feet to those we encounter each day. Some, of course, are called to the priesthood or religious life, some to be married – and therefore to become fathers and mothers who bring life to the world, and care for their precious gifts of children! All of us have a unique role to fill. We are now on the world stage, and for the brief moment of our lives on earth we are called to live in such a way that others are blessed by what we say and do.

Christ knew me before I was born. Even in my mother's womb, he already knew my name. (What a powerful reality to reflect on this mother's day!) It is often humbling to realize how many lives would be different if you were not in the picture! We live out our great vocation as Christians – as Christ-bearers in the world, and we do this one person at a time. Each person I encounter is an opportunity to show love, or to practice patience, to listen, to forgive. At times the loving thing to do is to remain silent, to help, to heal, to share, or to cry with that person. We may never know how our lives affect others, but God knows, and one day he will show us, and we will be flabbergasted! What a great mystery!

May is a good month to reflect on the mystery of life, and to thank our mothers who answered the call to love and to bring love into the world with the gift of children. They brought us into this mystery. We thank them for educating their children in the faith with the help of their husbands. Mothers are gifts to us all because it is through the many things they do, great or small, God's blessings reach us all. It all starts because somebody answered the call to: *love one another as I have loved you!*

Happy Mother's Day!

Fr. Timothy J. Hall

Let us LOVE  
not in word and speech  
but in deed and truth
