

**Fresh and Local CSA, Allan Balliett, farmer**  
**Community Supported Agriculture 2010 Share Application**

I would like to become a shareholder in the Fresh and Local CSA for the 2010 season. I understand that weekly deliveries will occur during the 18-week period from the first full week of June, 2010 to October, 2010. Please provide **all** of the following info:

Name \_\_\_\_\_ Email \_\_\_\_\_

Address \_\_\_\_\_ Zip \_\_\_\_\_

Day telephone \_\_\_\_\_ Evening telephone \_\_\_\_\_

**Membership and Pick-up**

As members of Fresh and Local CSA, you will be able to choose a pick-up site that is convenient to you. There are sites in Bethesda (Carderock), Silver Spring, 16th St Heights, Tenley, AU, Arlington and Shepherdstown, WV. There will also be a range of time to pick up your share. (Usually, between 4PM and 10PM) If you do not pick-up within that window, your share for that week will be forfeited. We cannot refund your money for any missed pick-ups. Shares are NOT transferable. If you have a friend pickup for you, that friend must be "trained." Unclaimed shares are donated to charity, when possible.

Fresh and Local CSA agrees to supply this shareholder with their share of the weekly harvest. It should be noted that implicit in the CSA relationship is the concept of "share the risks and share the bounty," which means that the farmers will work with all their might to provide you with more food than you contracted for but expect you to understand when weather, pests, labor problems or other 'Acts of God' throw a curve and the season does not perform to the farmer's expectations.

In the spirit of CSA as a relationship between farmers and the people who eat from the farm, the CSA farmers hope that members will plan to donate 4 hours of time to the CSA across the season. Hopefully, this will be by doing pleasant group chores (such as weeding) at the farm, but it can be at the delivery site and, possibly, at your PC.

I, the undersigned, understand and agree with the terms and conditions stated here.
