

A Cancer Benefit for Steve and Karen (Denny) Fall

Karen was diagnosed with breast cancer in early November (just days after becoming a Grandma for the first time!). She recently underwent a successful bilateral mastectomy.

A new diagnosis, however, has indicated a very aggressive and invasive cancer. Treatment for this cancer will involve chemotherapy and radiation. Karen is a self-employed business owner (residential and business cleaning). Her treatments start January 4, and will likely mean she'll have to scale back her cleaning accounts, resulting in loss of income. Medical costs alone are going to cause a significant strain for Karen and Steve, so we're looking to you to help them out.

A benefit will be held Saturday, January 22, 2010, 12:00 p.m. until 4:00 p.m.

The Settlement, 698 200th Ave. in Somerset, Wisconsin.
