*Love the Word  
Learn the Word  
Live the Word of God*

This program, produced by Saddleback Church  
(Pastor Rick Warren - author of *A Purpose Driven Life*),  
is a 6-week study of 6 principles of the Word of God.

**Location:**

**First United Methodist Church  
740 River Road  
Binghamton, NY 13901**

We will explore 6 principles  
of the Word of God:

- ✝ Can I trust the Bible's authenticity?
- ✝ How can I use the reliability of the Bible to make decisions in my life?
- ✝ How can I access the power of God's word through reading the Bible?
- ✝ Where can I find comfort in the Bible?
- ✝ How will I understand and interpret it in today's culture?
- ✝ What does the Bible call me to do with what I've learned?

---

*Jesus says both knowing and applying the Word creates the foundation for our lives: "Everyone who hears these words of mine and puts them into practice is like a wise man who built his house on the rock" (Matthew 7:24 NIV). In order to become Christ-like, we must become living translations of God's Word.*

*God's Word is unlike any other book. It is alive. When God speaks, your life will be transformed, but that can only happen by making the Bible the authoritative standard for your life: the compass you rely on for direction, the counsel you listen to for making wise decisions, and the benchmark you use for evaluating everything. The Bible must always have the first and last word in your life.*
