Governor's Notes

Brothers and Co-Workers,

I hope your Christmas was happy for you and your families. I hope the new year will be a better one for all of you and the Lodge to move forward as one big family. Eight months have gone by in the Moose year. Time flies fast when you are Governor of a Lodge with all the activities we have going on.

I hope we can move forward with activities in the Lodge and grow fraternally in the last four months of the Moose year. Thank you all for working with me and the Board of Officers. A job well done by all.

There are many activities for February and March at the Lodge for members and your families to enjoy. New in 2012 is Friday night fish fries and/or steak dinner from 5 to 8 pm. There is also 3 for \$6 burger nights, Bingo and Legion breakfasts. Check under events for dates and times.

The social quarters is open on most Friday and Saturday nights. Check the newsletter for times and dates of all activities at the Lodge. We need Lodge and Chapter members to help out at activities. I hope to see you soon to help.

The Lodge needs your help by coming to the Lodge activities and support it financially so we can pay the bills for the winter with lighting, heating and upkeep of the Lodge.

The Lodge and Chapter members can work together to move the Lodge forward and make the Lodge successful financially and grow in membership and help Moose Charities at the same time. By working together, we can have fun during activities as a team and as one big family.

Fraternally,
Gerald Hetzel, Governor

LODGE OFFICE
