TO HELP YOU PICK YOUR DESIGNS

Da Le Monogram's tackle twill is offered in a large group of styles and colors. The application of tackle twill may be single twill, twill on twill, and colored embroidery name through the tail of either application. Letters may be appliqued with contrasting or matching thread colors around each layer to twill.

You can send us your artwork, a proof can be faxed to you for your approval.

Drop ship your uniforms to us to speed up the process.

YOU MAY WISH TO DOWN LOAD THIS SECTION
TO HELP YOU PICK YOUR DESIGNS

You can send us your artwork, a proof can be faxed to you for your approval.

WHEN ORDERING WE NEED TO KNOW THE FOLLOWING:

Choose block letters, custom or fancy letters, emblems, champ patches, script names, double year numbers, chevrons, arm stripes, and bars.

Choose quantity

Choose Colors

Top chenille color

second color

third color

If Choosing Emblems:

HELP: Emblem only on a back, an 8" size will look good.

Emblem of 6" with a 3" script word arched over the emblem looks good.

If Choosing Script Names

HELP: Capital letter can be 2" with approximately 1" letters following

Capital letter can be 3" with approximately 2" letters following

Capital letter can be 4" with approximately 3" letters following

We can do larger, if it will fit your desired area.

Script Names may be straight, arched, with or without tails. Embroidery names or sports emblems may be added in the tail.

Script chenille name plaques can be chenille color on same color felt placed a different color scrim felt or one color chenille on two different colors of scrim felt.

If Choosing Block Letters

Plain or block chenille letters consists of one color chenille on the same color scrim felt with a different color scrim felt on the bottom. Inserts of ten letters [school name, academics, etc.] in embroidery may be added to the letter.

Block Letters can be placed on a rectangle piece of scrim felt to form a name plaque.

If Choosing Shaded or two color letters:

Two color letters may be three colors felt or two colors chenille. Shaded letters have contrasting chenille shading at two sides. Inserts or sports emblems in chenille or embroidery may be added to the letter.

If Choosing Interwoven letters

These are one or more letters superimposed on another. Double-2 letters, Triple-3 letters, Quad-4 letters. For 2 color shading may be added to interwoven letters. Measure the largest dimension of the whole design for price.

Single Year Numbers

Double Year Numbers

Triple Year Numbers

Quad Year Number

Choose Champ Patches:

Champ patches come in a variety of shapes [round, square, rectangle, triangle, shape of state, winged foot, etc.] We may change the layout of lettering on champ patches so it best fits the size and shape of the patch.

HELP: 4" Champ patch --3 lines up to 8 letters per line looks best

5" Champ patch --4 lines up to 10 letters per line looks best

6, 7, & 8" Champ patch—4 lines up to 10 letters per line looks best.

An additional charge is added if the recommended letters are exceeded.
