

January 25, 2007

Dear Members and friends,

- SAVE MONEY NOW!
- GENERATE FUNDS FOR THE FIRST PRESBYTERIAN CHURCH IN GOSHEN
- IT WON'T COST YOU A CENT!

The First Presbyterian Church in Goshen has teamed up with Hudson Energy Services. Hudson Energy Services (HES) is an approved Energy Service Company (ESCO). HES supplies natural gas and electricity to the public utilities (in this case, Orange & Rockland) who, in turn, deliver it to their customers. The benefit of getting these commodities from HES as opposed to the utility company is that HES is able to offer to the consumer the gas and electricity at a savings. In fact, your utility actually encourages their customers to switch to an ESCO for their energy supply. When you sign up with Hudson Energy, you will still be receiving only one monthly bill from your utility just as you currently do.

The gist of the program that The First Presbyterian Church in Goshen has with Hudson Energy is as follows: The First Presbyterian Church in Goshen will receive a monthly commission for every customer who signs up with Hudson Energy through The First Presbyterian Church in Goshen. The savings to the customer is the same savings that they would get had they signed up directly through Hudson Energy. The monthly payment continues as long as the customer is signed up with Hudson Energy through The First Presbyterian Church in Goshen.

As you can clearly see, this is a WIN/WIN situation. You save money on your monthly utility bill while generating monthly income for our church.

Please fill out either the residential or commercial form whichever fits your circumstance. Fax it directly to Hudson Energy at the number provided at the bottom of the form or send it to Hudson Energy. Should you prefer to enroll online, please go to Hudson's website www.HudsonEnergyServices.com and include our promotion code: **FPCG**. You may also go to our website www.frontiernet.net/~fpgoshen and fill out the correct form, print it out and mail or fax it to Hudson Energy.

We look forward to a mutually rewarding experience.

Thank you for your support.

Sincerely,

George E. Hankins
Treasurer
