Preface

The following provides some notes on Rouze Surname. There is no known link to the ancestry of the oldest person listed in this report, Joseph Rouze.

Written July, 2002:

Most of the information in this file is based on the book "Genealogy of the Joseph Rouze Family" collected by his granddaughter Mrs. Ellen A. (Nellie) Hunter Sherman and published by Claflin Printing Co. of Lincoln Nebraska in 1928. There is an update to this publication printed about 1990. The 1990 publication is based on the 1928 book with update to many of the descendants listed in the 1928 book.

The 1928 book does have some discrepancies in the dates presented. In most cases, it appears some of these are typing errors but others are suspicious in the dates as found with other dates in the book. However, overall, the book is believed to be fairly accurate and is a basis for much of the information for Rouze genealogy relating to the Joseph Rouze first listed in the book.

However, in 1990 a second book was published to update the Rouze family information. Some of the dates have been changed based on that book and most information for families in 1900s is based on research and data from that 1990 book. This book corrects some errors found in the 1928 book.

At this time, many Rouze names can be found in the early New Jersey area, but no proof to their link to this Joseph Rouze has been found. Research by many continues to try and discover the early links to the Ancestry of the Rouze surname and of this Joseph Rouze.
