How many years have you been teaching at the college level? _____

Courses you currently teach:

Do you have an area of specialization or particular interest in the telecommunications field? If so, what is it?

Additional activities both academic and professional (e.g. Director/college station WXYZ, Vice President/Hawaii Broadcasters Association):

Previous industry experience:

Awards:

Publications:

Formal education (please list colleges and degrees received):

Have you taught at any other colleges? If so, where?

How many previous IRTS Faculty / Industry Seminars have you attended? (Please indicate years.)

IRTS occasionally videotapes sessions of the Faculty/Industry Seminar for educational or promotional purposes, and/or allows members of the electronic press to cover proceedings. By submitting this application, you grant IRTS permission to:

1. Record, edit, use, and re-use on tape, in television, and in other means of publication and exhibition the picture and sound material of your participation in such sessions taped by IRTS or the electronic press; and
2. Use your picture, voice, name, and likeness, and biographical data in publicity concerning any such use of the material.

1. It is the objective of the IRTS Foundation to include among its participants, men and women of all races. In order to do so, we make a special effort to identify applicants from minority groups. We therefore encourage minority applicants to identify themselves by checking the appropriate space below.

Black **Hispanic** **Asian / Pacific Islander** **American Indian / Alaskan Native**

2. It is our intention to include participants from schools of all sizes.

a. How many undergraduate/graduate students are enrolled in your university/college?

b. How many undergraduate/graduate students are enrolled in your communications program/school? (If you do not teach Communication, please answer question as it pertains to your field of study). _____
