

Welcome To Mary's Cradle !

Mary's Cradle is a ministry of the Bluefield Cooperative Parish, five United Methodist Churches located in Bluefield, WV. We are located at Trinity United Methodist Church at 401 College Avenue, at the corner of Washington Street and College Avenue. Our hours are 12 noon to 7:30 PM, Monday through Thursday evening. If Mercer County Schools are closed for bad weather, please phone before coming, we are probably closed as well.

We are delighted we are able to serve you today. The following is information about our services for your information.

Mary's Cradle is able to serve because many persons have donated funds, maternity clothes and baby items for over a dozen years. When you receive a piece of furniture or car seat from us, please remember that bringing it back in clean condition will allow us to continue to bless others.

Our services include assistance for pregnant women, infants, and toddlers. We provide layettes for newborns: supplies that mothers need when coming home from the hospital with a new baby: sleepers, receiving blankets, diapers, toiletries, wipes, and more. We also provide diapers one additional time for each child... so each child can receive diapers two times. We have maternity clothes to share, and outfits for children up to Toddler 4 in size. We also "re-cycle" gently worn shoes, pajamas, hats, mittens, and basically anything from which an infant or toddler could benefit. In addition to clothes and furnishings we have books about pregnancy, raising healthy children, as well as several books to begin your own family library.

If you are in current need of an item [popular items such as baby beds and infant or toddler car seats, walkers, high chairs, etc.], we will place you on a wait list. This is not a guarantee that you will receive the item; when items are returned or donated we will contact you in the order of the list. Please keep us informed of any change in your contact information, as it will allow us to meet your needs better.

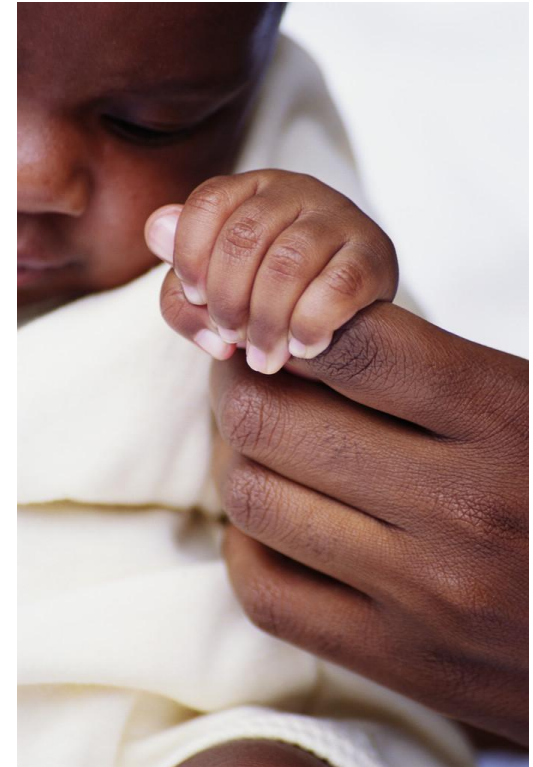

We work closely with several local agencies, including *Right from the Start*, *Birth to Three*, and *WIC*, as well as the Salvation Army, Union Mission, Red Cross, and others. We will do

everything we can to assist you in meeting your needs. We also take seriously issues of privacy. We refer, collaborate and resource.

We can always use assistance through volunteers. Some of our best workers have been clients, and we would love to have you help! Help is needed in “the Cradle”, but assistance with laundry and sorting can be done in other locations. Just ask!
