Roland Zimmerman Family Musical Ministry

Ryan Rhoda Roland

Greetings in the name of Jesus Christ! We are the Roland Zimmerman Family, and we'd like the opportunity to minister to your church or organization.

We are not entertainers; we are simply disciples of Jesus Christ with a passion for furthering His kingdom. It is our desire that the saints of God would be strengthened and inspired and that sinners would see their need of repentance and salvation in Jesus Christ through this musical ministry.

Our family consists of: Roland, (dad); Rhoda, (mom); and Ryan, (son).

Roland sings and plays guitar, (and sometimes banjo and mandolin), at our performances. Roland has performed with various bluegrass gospel groups. In 1997, he started to perform solo at local retirement homes, using a vocal harmonizer to create harmony vocals to accompany himself. Roland produced, engineered and performed on 2 gospel music recordings during his solo performing.

Rhoda sings and recites poetry. You will find her attending our sales table. Rhoda was first involved in the background of her husband's ministry by tending the sales table, setup, booking, etc. When Ryan decided to go onstage, she went along onstage to give him guidance. She then decided that while she was onstage anyway, she might as well take part in performing.

Ryan sings and yodels, plays guitar, mandolin, Q-Chord and kazoo, and he provides rhythmic accompaniment on washboard, tambourine, spoons, paper bag, and sanding blocks. (Ryan gets most of the attention from the audiences!) Ryan has been singing with his father since 2001, when he was 2 years old. His musical interests were noticed when, as an infant, he got into his mother's kettle cabinet, and getting the smallest saucepan, he held it like a banjo, tapping on the copper bottom!

He was encouraged to go onstage by personnel at a local retirement home when they found out that he likes to mimic his father by strumming a badminton racket around the house. In his first several appearances, he sang and strummed the racket! We soon bought him a guitar. Ryan also sells birdhouses that he paints.

We are available to perform weekday evenings, weekends, and holidays. We do a limited number of weekday daytime programs. We perform on a freewill basis. Recordings can be purchased at our concerts. Free booklets, tracts, Bibles, and devotionals are also available.

Audio samples can be heard & videos viewed on our website at www.RolandZimmermanFamily.org.
