Piano

Our own Nam-pa High, Our Al - ma Ma - ter

too; We've pledged our years of youth to thee and al-ways we'll be

true. Our own Nam-pa High, We sing this song to thee; As

we re-mem-ber years gone by and days that used to be. We've

thought of days in joy and sor-row, But as our school we

know; That you have helped us to be thought-ful and

to our friends we show: We love Nam-pa High, Al-

le-giance pledge to thee; For ev - er-more we'll sing thy praise in

per - fect har - mo - ny.
