

Dear Sir,

I have placed a special item number on the webpage choice box (see: [http://www.quartermastershop.com/1872%20and%20on%20US%20Officer/iwp\\_officer\\_insignia.html](http://www.quartermastershop.com/1872%20and%20on%20US%20Officer/iwp_officer_insignia.html)) for the Knights of St John Shoulder Knots you are asking about- 7298SJ. Look in the "Knots Choice" selection box. Price is \$89.00 plus shipping. All knots will have to be custom ordered and take about 8 weeks to get from the maker.

Your knights will still have to specify the rank and the Regimental/Commandery number they want but will automatically get the black background with gold cord, and may add the gold number if needed with appropriate gold or silver insignia for rank.

You might mention to them the special item number (7298SJ) for the Knights of St Johns Knots to help them order the correct knots.

If the Shoulder Boards you use are black with a gold border, they may order our US Staff Officer Boards which are In Stock in most cases. Our Indian War Shoulder Boards have silver bars for Captain and First Lieutenant which I believe is what you use. See webpage: [http://www.quartermastershop.com/1872%20and%20on%20US%20Officer/1872\\_officer\\_shoulders\\_boards.html](http://www.quartermastershop.com/1872%20and%20on%20US%20Officer/1872_officer_shoulders_boards.html).

I hope this is helpful for your group in the future.

Regards,  
Jeff O'Donnell
