Tonya Duma and Rich Gilbert “cleaned house,” not in the literal sense, but rather from the bench as both secured championships in the 2017 DelSavio 100/200 Yard Group Match Championships held on Tuesday, September 12 at the Pine Tree Rifle Club. History was made as this was the first time in over 30 years that a Group Match has been contested at the PTRC.

Duma earned her 100 and 200 yard championship titles as well as the Sporter Division Aggregate Award shooting a .223 Rem. Rich Gilbert captured 2<sup>nd</sup> place honors in Sporter in both the 100 and 200 yard matches with his .204 Ruger. Rounding out the scoring in Sporter, Randy Swart secured the 3<sup>rd</sup> place finish in the 100 yard match with his .308 Win and Rich Lewandowski captured the 3<sup>rd</sup> place finish in the 200 yard match with his 22-250.

Rich Gilbert starred in the Benchrest Division winning both the 100 and 200 yard championships as well as the Benchrest Division Aggregate Award with his 30BR. Chris Bouck, who has made significant strides this year in centerfire competition, secured 2<sup>nd</sup> place in the 100 yard match with his 6PPC while Larry Mihalik earned 2<sup>nd</sup> place in the 200 yard match with his 30 BR. Finishing 3<sup>rd</sup> in Benchrest in both the 100 and 200 yard matches was Adam Mihalik with his 30BR.

Others shooters competing included; Joe DePiazza, Ken Benton, Mike Kowalski, and Doug Sterling. The Course of Fire (COF) involved firing five rounds of ammunition into a 100 Yard IBS Group target at 100 yards followed immediately by firing five more rounds into a 200 Yard IBS Group target a 200 yards with unlimited sighters in 15 minutes.

Special thanks to Mike Johnson, John DelSavio, Harold Miller, and Dennis Haggerty for helping with the scoring, target set-up, range commands, and awards ceremony.
