'SAFE Act 1' and 'SAFE Act 2'

These "rejected proposals" in 'SAFE Act 1' were 'leaked' by Assemblyman Steve McLaughlin. He was asked to keep these proposals away from the public but said:

- "The list was given to me by a colleague and it is not confidential."
- "This bill was an attack on the 2nd amendment."
- The Democrats clearly wanted to dismantle the work of the Founding Fathers."
- "None of these amendments were included in the final bill thanks to us fighting back."
- "I will not stand silent while these unpatriotic proposals are pathetically thrown at us at 11 o'clock at night."

1. Confiscation of "assault weapons" ["Confiscation could be an option" - Cuomo 12/21/12]
2. Confiscation of ten round magazines

Still think the 'SAFE ACT' doesn't affect you? Ask why law abiding citizens are being impacted rather than the criminals.
