Rules: The DelSavio Score 100 match is a centerfire, gentleman's/gentlewoman's fun shoot that incorporates the formality of International Benchrest Shooters rules, but with modifications. The maximum size cartridge permitted in these matches is .36 caliber. There are no restrictions on telescopic sights.

Benchrest rifles are customized firearms possessing a flat forearm stock that is less than 3.0 inches in width. Benchrest rifle barrels may have a tuner attached to it.

Sporter rifles are hunting style rifles that are meant to be shot from the shoulder. These rifles include a functioning safety mechanism and a convex forearm. Tuners are not permitted.

Equipment eligibility is based on IBS Rules. All formal front pedestal and rear pedestal rests are permitted; however, front and rear rests must be separate. No rest may be attached to the bench. The Chief Range Officer will have the final say on firearm and equipment eligibility. Contact: Ken Benton: (518) 774-2854 or khbear334@gmail.com for further information.
