

Welcome to the PTRC Rimfire Benchrest League

Greetings! This handout is designed to familiarize you with opportunities available at the PTRC as related to casual and competitive rifle shooting. Our entry level programs start with the Rimfire Benchrest League (RFL). The RFL was founded in 2007, in an effort to provide opportunities for PTRC members to be introduced to organized competition shooting using .22 caliber long rifles.

The RFL not only serves as an entry level program, it fills a niche for those who prefer a challenge, but not get pounded by high powered rifles. The RFL follows a formal Rules and Procedures format where Safety and Skill development are key learning elements. Throughout the RFL season, much fun and enjoyment are had amongst members.

The Rimfire Benchrest League is contested on Monday afternoons from 2:30 – 6:30 pm with two separate relays. A meal program is provided in the clubhouse at the conclusion of the competition. The RFL season begins on the first Monday of May and ends on the last Monday of August followed by a banquet later in September. There are two weekends where there are no competitions due to the observance of Memorial Day and the Fourth of July. The seasonal Registration Fee for participating in the RFL has been maintained at 1-Gun \$45 and 2-Guns \$55.
