

1. Tue. April 23: BR Committee Meeting 6:30 PM @ PTRC
2. Wed. April 24: RFL Work Day 9:30 AM @ Rifle Range
Build new target frames/ cleanup in and around the Range Master Station and Range Office. (We could really use some volunteer help).
3. Thu. April 25: RFL General Membership Meeting 6:00 PM @ PTRC
Members will have the opportunity to ask questions and learn more about the RFL. There have been some procedural changes including benchrest rotation, restricted parking, firearm classification, and scheduling.
* Ed Anker (financial officer) will be available for early registration so that you can begin the registration process including your entry fee which is still \$45 for the season. Registration forms will also be available. I am also forwarding a registration sample form to you as a courtesy.
4. Mon. April 29: RFL Practice/Registration Day 4 - 7 PM @ Rifle Range
Hopefully, mother nature will cooperate, and we'll have a nice day regardless - we will make a go of it. Registration forms will again be available from Ed Anker and the Range Master Station. Ed will station himself along bench 1 area. Anne Haggerty will serve as our target coordinator this season. She'll be working and selling targets out of the Range Office. Dennis Haggerty, Tom Bielli, and I will be working out of the Range Master Station. Wayne VanDetta, Tim Ryczek, and Mike Kowalski will again be inspecting and certifying firearms for classification. Mike Kowalski will also serve as the head scoring official. Harold Miller will continue to serve as Rules Chairman. There are a lot of resources for you to go to if you have any questions.
5. Mon. May 06: Match 1 officially begins for the 2019 season.
The RFL officially starts at 3:00 pm and ends at 7:00 PM.
Monday evening dinners will again be provided for those who wish to partake in some good food and interesting conversation while waiting for your targets to be scored.
