

Today's Bible Talk:

This month we are examining more deeply what our Rejoice! Small Group Value is all about. We believe that "caring relationships, spiritual growth and kingdom multiplication happen through small group ministry." Today we will be opening God's Word, the Bible, and discovering that one of His messages and desires for us is to receive and give grace-filled care through relationships amidst a small group. This morning, we hope your experience of caring relationships around a small group table will also add to your Table, or Communion, encounter with our grace-filled Lord & Savior, Jesus Christ.
