**Ms. Shirley Phillips, President
U.S. Highway 20 Corridor Association
650 W Main Street
Sac City, Iowa 50583**

Dear Ms. Phillips and Honored Guests:

It is my pleasure to congratulate you on this ribbon cutting, a symbol of the ongoing process of expanding Highway 20 to four lanes across all of Iowa. I regret that I cannot be there with you in Rockwell City. However, we are today one stretch of road nearer to a complete four lane Highway 20 and one step closer to my goal of driving on a four lane road to Sioux City from my farm in Butler County.

I remember the not too distant past when a complete four lane Highway 20 across Iowa was not imminent. It is widely known that your organization has had a far reaching effect. This is an achievement of which you can be proud. A quality transportation infrastructure is the backbone of commerce and economic development in Iowa. Thank you all for your dedication to the Highway 20 corridor and the entire state of Iowa.

As your United States Senator, I am proud to know I represent individuals and organizations of your caliber. Barbara and I send you our most sincere congratulations.

Sincerely,

**Chuck Grassley
United States Senator**
