Respect Life – "The question is asked: Why should we pray at least one million Rosaries for unborn babies? There are a number of answers, including the fact that the unborn babies have been the victims of the worst massacre in the history of mankind. Within the last 50 or so years, hundreds of millions of unborn human persons (and perhaps billions) have been killed surgically and non-surgically. And, it should be pointed out clearly: ***This abominable crime continues to happen.*** The **ONE MILLION ROSARIES FOR UNBORN BABIES** prayer event is a time for the Church Militant to unite worldwide to engage in spiritual warfare against the culture of death. For young people, older people, and everyone else, the plea is made: ***Please, pray at least one Rosary (May 4th - 6th) for an end to the surgical and non-surgical killing of unborn human persons.***" - Pat Benedict

Spiritual Adoption Part II...

In the debate on abortion the so called pro-choice side will bring up the argument that abortion should be legal in *all* cases because *some* cases involve the mother of the child becoming pregnant by violent means or that she is in danger of death. As often as those circumstances are brought to the argument as the winning trump card, one might think that abortions for those reasons are occurring frequently. To gain clarity, one must ask: What reasons do women who have had abortions cite for seeking an abortion? Now focus your attention to the statistics below.

Women who have had abortions cite the following reasons: ¹

42%	unmarried
38%	would interfere with education/job/career
38%	have completed my childbearing
34%	student or planning to study
28%	can't afford baby and child care
25%	don't want people to know they had sex or got pregnant
22%	don't feel mature enough to raise a child
22%	unemployed
14%	not enough support from husband or partner
13%	possible fetal health problem
12%	physical problem with my health
1%	was a victim of rape
<0.5%	became pregnant as a result of incest

As you can see, the reasons so often given to keep abortion legal – in cases of rape, incest or danger of death – are rarely cited by women who do seek abortion. The truth we can glean from this data is that, while some may prop up abortion as a compassionate approach to a difficult situation, most of the reasons for seeking abortion fall in the category of selfishness rather than compassion.

There is room for compassion in this debate. That is what our role here is. We can pray for unborn babies. In praying for them, we are also praying for their mothers. If you have not done so already please remember to take part in the Spiritual Adoption program offered by the Catholic Daughters of the Americas in your daily prayer. So many lives depend on you.

Happy Easter!
