Upstate Telco FCU Local Service. Global Reach.

On October 17, 2019, Upstate Telco FCU will join with 56,000 credit unions around the world in celebration of International Credit Union (ICU) Day®. We will have an open house with goodies at the office for all members and Frontier employees.

There are 200+ million credit union members around the world—more than 100 million in the U.S. alone—and Upstate Telco FCU joins them in celebration of the not-for-profit cooperative spirit that all credit unions share.

This cooperative spirit has led to life-changing opportunities for people all over the world who've wanted to start a small business, own a home or continue their education but were denied access to other financial institutions. In many parts of the world, people's first taste of democracy is through their credit union, where "one member, one vote" is the governing structure.

At its most basic level, a credit union is people pooling their money to provide each other with affordable loans—it is literally people helping people. This is why Upstate Telco FCU celebrates ICU Day. Because credit unions empower people, wherever they are in the world or life, to take control of their financial future.

Come and celebrate with Upstate Telco FCU.
