

Stick It!

The US 20 Corridor Association has new bumper stickers you can purchase, and resell, to supporters of our cause to see the highway completed as a four-lane across Iowa. Just imagine seeing these on trucks, cars, RVs, and other vehicles rolling down Iowa roads, helping us get our message out!

You can purchase these bumper stickers for \$1 each in groups of 25 or more from Daryl Watts. You can contact Daryl by calling 515-448-3358 or by emailing drw9776@wmtel.net.

**FOUR-LANE

The bumper stickers are 15 inches long and 4.25 inches tall. The yellow background with black letters make sure they stand out and are noticed.
